Dear Parent,

While kids are at home due to Corona Virus scare, Learning should not stop!

We as school are dedicated towards creating innumerable opportunities for students to evolve during this crisis.

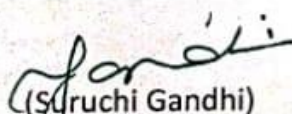

- SnapHomeWork is an effective way for online learning by students. Each teacher would be uploading learning material on Snap works. You are requested to install the application for continuous transfer of knowledge. In case of any difficulty please contact the class teacher or Ms Kajal from SnapHomeWork at 8178708804.
- Extra Marks-the learning app is providing free access to students till 30 April 2020 on redeeming the code GTS@K12.
