Dear Parent,

DIGITAL SCHOOLING

With the onset of COVID 19, a new digital era has been launched in the field of education. We all have been catapulted into digital arena. Thankfully our teachers had made preparations for the same and transition was smooth.

Some highlights of Digital schooling are as follows.

1. EXTRAMARKS LEARNING APP

GO TO SCHOOL Initiative has provided not only content but also artificial intelligence based doubt clearing chat bot to provide personalized learning experience to each child so that learning takes place at the pace of learner .

Curriculum mapped teaching modules and self assessment quiz have been made available to all students from K-12 which are being used by teachers in lesson planning and delivery of lessons

2. **SNAP HOMEWORK AND WHATSAPP GROUPS** are being used to deliver learning instructions and assignments to students.
3. **ZOOM AND GOOGLE CLASSROOMS** have been initiated to provide live online teaching of concepts in face to face interaction of students and teachers. A time table and record of lesson conducted are being maintained.
4. **MICROSOFT TEAMS** have been configured and user I'd created for each student and teacher to create an online collaboration platform for 2 way teaching learning and assessments.

A time table for the same has been shared with all.

Microsoft teams are being used to

- Conduct live lessons
- Share assignments and resources
- Conduct assessment
- Provide feedback
- Remedial teaching for children with special needs

5. **KHAN ACADEMY** modules and online assessments are being used by mathematics teachers to continue teaching of Maths.
6. **ONLINE ASSESSMENTS** have been introduced through Microsoft and Google forms where teachers design online question paper which provide instant feedback.
7. **REPORT BEE SYSTEM** has been configured and tested to generate online report cards.
8. **ONLINE PROFESSIONAL DEVELOPMENT** of Teachers has been in full swing through Microsoft Education Portal. MICROSOFT INNOVATOR EDUCATOR badge has been earned by 55 teachers. While 5 teachers have qualified for MICROSOFT INNOVATOR EDUCATION EXPERT certification. Others are working to upgrade their skills are earn certificates online. Nearly 85 certificates have been earned by teachers during Corona Lockdown period.
