

# THE GOOD SAMARITANS

*BAL BHARTIANS CARRY FORWARD THE LEGACY....*

## FORGING CIRCLES OF CARE

Unprecedented times call for unprecedented compassion. It is the most important currency as we together navigate adversities. No act is too simple and no moment too small, to bring comfort and healing. Even the simplest acts of kindness, compassion and empathy can be life saving for people in distress. For it is compassion and kindness that will carry us through this challenging time.

We are extremely proud of our students who are the true saviors- championing the cause of humanity and being the beacons of kindness and compassion. Equally heartening are the efforts of members of our parents' community- who are serving heroically at the front line.

The future of humanity is being written today, let's write it together with all of our hearts, love and compassion.

Even the smallest act of caring for another person is like a drop of water -it will make ripples throughout the entire pond.

## MAKING WORLD A HAPPIER PLACE !

There is no dearth of compassion, kindness and human goodness as we together overcome these times of distress. Bal Bharatians have taken it upon themselves to spread the aura of love and positivity and imbibe hope and motivation. From organising donation campaigns, to volunteering with organisations of all faiths and also caring for stray animals -these gestures of kindness by our students have brought the community closer together and have proven through their selfless service that love and kindness always win. Our students have upheld the true human values of Compassion and Benevolence.
