

SPECIAL DAYS [MAGICAL MOMENTS]

MONTESSORI DEPARTMENT

+ YUMMY TUMMY - COOKING ACTIVITY *20 May, 2020

Hands on cooking activities make children independent and self-reliant. Keeping this in mind, 'Yummy Tummy' - Cooking activity was organised. The activity was thoroughly enjoyed by the children and parents.

+ PRINT - O - MANIA * 22 May, 2020

Making prints enhances the eye-hand coordination and develops the fine muscles, not to forget the development of aesthetic sense among children. To achieve all these objectives, vegetable printing activity was planned for children.

+ GUESS THE SOUND GAME* 25 May, 2020

To help develop confidence, ability to identify different sounds & to help children discriminate between different sounds 'Guess the Sound' game session was organized.

+ LOOK & TELL* 27 May, 2020

With the aim of enhancing oral skills & self-esteem of the children, "Look & Tell" activity, with the help of visual aids, was planned for the students.

+ COVID-19 THEATRE

Children learn faster with interactive activities. They develop emotional and social skills through Role play & theatre activities. Keeping this in view, various story telling sessions & virtual puppet shows were organised for children.

+ FRIDAY IS FUN-DAY* 29 May, 2020

Every Friday, different fun activities such as art & craft, indoor maze game, wheel of fortune, alphabets knockdown etc. are organised. On the last working day for pre-school & pre-primary before summer break, teachers organised a virtual class party & played games with children during online session.

PRIMARY DEPARTMENT

+ WAKING UP THE INVENTOR- CLASSES IV & V- 01/06/2020

Students demonstrated various experiments, conducted at home, explaining the underlying scientific principles, and shared them online with their teachers and classmates.

+ LITTLE POET - POEM RECITATION ACTIVITY - CLASSES III - V- 02/06/2020

Poetry is the form of expression of our emotions and thoughts. In these trying and difficult times, the students found solace in poetry. They crafted and recited beautifully penned treasures and shared their thoughts and ideas on the same with their classmates.

+ FITNESS FREAKS- CLASSES - I - V- 11/06/2020

Keeping fit and building immunity is the need of the hour. Every morning, half an hour virtual yoga session has been conducted for the students to encourage them to keep active.

+ FOOD FUNGAMA - COOKING WITHOUT FIRE - CLASSES I - V- 09/06/2020

Students enjoyed and relished various delicacies through 'Virtual cooking without fire' sessions and shared their experience in the form of photographs and feedback to their teachers and class friends. They made watermelon mojito, bhelpuri chat, roohafza lemon drink, etc.

+ FUNNY TANGRAMS - CLASS IV- 10/06/2020

Students enjoyed learning about shapes, using interesting tangram pieces to make different pictures. This activity helped in the mental ability of the students.

+ ARTSY CRAFTSY - FUN WITH ORIGAMI - CLASSES III - V- 12/06/2020

To provide great fine motor skill practice, origami paper folding activities were conducted online for the students.

+ MIRROR TALK - CLASSES III - V- 13/06/2020

Drama activities offer an entertaining way to apply the language they have learned and are a fun and exciting way to break through the doldrums of classroom teaching. Students enjoyed some great drama sessions online.

JULY 2020

MONTESSORI DEPARTMENT

+ GARDENING IS A WORK OF HEART- 02/07/2020

To imbibe love for Mother Nature, an indoor gardening activity was organised. Children were told about the importance of nature. They learnt how to take care of plants & how to water them regularly.

IGNITING INNER PEACE- 6/07/2020

With the aim of developing positive emotions, stronger self-identity, greater self-acceptance and higher optimism a mediation and Yoga session was organised. This activity helped children to soothe their mind and encouraged them to enhance their concentration power.

LET'S BE THE PICASSO OF MATHEMATICS- 8/07/2020

Number Magic encourages children to expand their imagination and brings out the creativity in them. Keeping this thought in mind FUN WITH NUMBERS activity was organised. The students of Pre-primary created different objects with numbers and creatively designed their worksheets.

CRAFT YOUR HEART OUT- 8/07/2020

Learning about shapes not only helps children identify and organise visual information, it also enables them to acquire mathematical skills. Shapes craft activity was organised for Pre-school children, in which children created different objects with shapes, with the help of clay dough along with their teachers during Virtual circle time.

BUDDING ARTISTS- 10/07/2020

To develop the artistic potential of our budding artists & to instill the sense of creativity, FROGY FUN (craft activity) was organised for pre-school & pre-primary children.

PUDDLE JUMPERS- 13/07/2020

To create awareness amongst children about the rainy season, Puddle Jumpers activity was organised. Children made paper boats and sailed them in a water tub/bucket during virtual circle time. They were told about the ways to keep themselves safe and healthy during rainy season.

I CAN COOK- 15/07/2020

Children of PP I & PP II donned their aprons & chef caps to exhibit their culinary skills and prepared yummy and healthy ROOHAFZA MOCKTAIL as they celebrated FATHERS DAY during virtual circle time.

YOUNG CORONA WARRIORS- 14/07/2020

To help our young students develop social and emotional skills, an activity called Corona Warriors Puppet show was conducted.

+ ARTIST AT WORK

Children displayed creativity by presenting extraordinary holidays homework worksheets. Videos of children performing various indoor fun activities during summer break were shared by the parents.

PRIMARY DEPARTMENT

+ COVID NEWSPAPER DESIGNING ACTIVITY - CLASS III - 01/07/2020

Students of class III were given an opportunity to become a journalist for a day. They designed beautiful newspapers on the topic "India and COVID - 19" using pictures and facts to make it interesting. They included national and international news under various sections and gave a suitable title to their newspaper.

+ TASTILO - NACHO CHAT MAKING ACTIVITY - CLASSES I & II - 02/07/2020

Cooking without fire activities helped students in developing their culinary skill as they prepared multiple non - flame dishes. The activities also provided a platform for students to showcase their talent and explore new areas of interest with an insight into good and healthy food habits.

+ FIT ME - FITNESS ACTIVITY - CLASSES I & II - 02/07/2020

The students of classes I & II exhibited the skills of fitness, strength and agility as they participated in a fitness regime. This activity also enhanced their coordinative abilities.

+ LOCKDOWN DIARIES - CLASS III - 03/07/2020

Children created their very own diary and penned down their activities during the lockdown so that they can look back on this time with fond memories. They shared these beautiful and colourful comic strips with their classmates during the online classes.

+ FOREVER YOU - FATHER'S DAY ACTIVITY - CLASSES I & II - 06/07/2020

Children recognised the important role that their fathers have in their lives and applauded their enriching contributions with a myriad of activities conducted during the online classes like poem recitation on father, expressing their love for their fathers on a canvas, etc.

+ LITTER MASTER – BEST OUT OF WASTE ACTIVITY – CLASSES I & II – 07/07/2020

Students had fun saving the “junk” by creatively using it to make beautiful crafts. They made miniature musical instruments like Banjo, using recycled jam jar lids and ice cream sticks.

+ CURATOR & CREATOR – CLASS V – 07/07/2020

To help students study social and environmental changes, “Curator & Creator” activity was conducted for the students of class V. They prepared a PowerPoint presentation on the unbelievable changes seen in the world since the lockdown.

+ LITTLE TWISTERS – PEN A JINGLE ACTIVITY – CLASS IV – 9/07/2020

Integrating language into arts, the students of class IV sang self-composed jingles on COVID 19. They shared the videos and audios with their teacher and during the online classes.

+ BOOK WORMS – BOOK COVER DESIGNING ACTIVITY – CLASS III – 10/07/2020

To encourage children to dive into the imaginary world of characters, Book worms – Book Cover Designing activity was organised for the students of class III. Children designed beautiful covers of their favourite books that they read during the summer break.

+ COMING ALIVE – CHARACTER ENACTMENT ACTIVITY – CLASS V – 13/07/2020

Character enactment activity was conducted for the students of class V to build their confidence and develop their imagination as they see themselves in a fantasy world and make-believe stories. Children enacted the favourite characters of the storybooks read by them.

+ SKIP & SWAY – DANCE ACTIVITY – CLASSES I & II – 15/07/2020

Dance engages children physically and mentally. It helps to engage students in a collaborative process and strengthen their creative skills.
