

SCHOOL ACTIVITIES

TO COMMEMORATE THE 75TH ANNIVERSARY OF INDIAN INDEPENDENCE, THE HON'BLE PRIME MINISTER OF INDIA HAS LAUNCHED "BHARAT KA AMRUT MAHOTSAV" (MARCH 12, 2021)

As a part of this initiative, the school organized a set of activities for students of Classes VI-X with the help of Wetland Divisions of India under the Ministry of Environment, Forest and Climate Change.

1. A WETLAND WORLD – A WORLD TO DISCOVER - VI
2. CARING FOR WETLANDS – AN ANSWER TO CLIMATE CHANGE -VII
3. WETLANDS : WATER LIFE AND CULTURE - VIII
4. UPSTREAM, DOWNSTREAM: WETLANDS CONNECT US ALL - IX
5. WETLANDS: WHY SHOULD I CARE? - X

NEW BEGINNINGS (MARCH 30, 2021)

To welcome our beloved little ones, a balancing game with balloon was planned. Kids enjoyed the activity and learnt the virtues of team building and sportsmanship.

DETECTIVE ME! (APRIL 16, 2021)

To provide unlimited fun to our children, a thrilling fun game -'Detective me' was organised in which they dressed up wearing hats, sunglasses and some even used magnifying glasses.

'I AM SPECIAL' (APRIL 12, 2021)

To teach simple introduction skills and empower our pre-primary with confidence, a fun - filled activity 'I am special' was organised. They were told about the importance of eye contact and a smile. Children introduced themselves with a hand puppet.

PLAYFULNESS WITH LEARNING - THE WORLD OF PUPPETS (APRIL 9, 2021)

Cartoon characters and animals were brought alive through puppets in a colourful environment. It evoked lots of responses from children, who were quick to refer to a cartoon character or an animal when asked by the teacher.

I AM A CORONA WARRIOR (SHOW AND TELL ACTIVITY) (APRIL 13, 2021)

As the novel Coronavirus continues to take its toll globally, kids were sensitised about the safety norms to keep them protected without getting

them in a panic through a show and tell activity. They were encouraged to adopt basic hygiene habits like washing their hands with soap and water frequently for at least 20 seconds, not to touch their mouth, nose and eyes with unclean hands etc.

CREEPY CRAWLIES (APRIL 15, 2021)

Learning about the wonders of nature especially about the creepy crawlies - 'Bugs' is fascinating. Hence, to satisfy children's curiosity for bugs, insects etc., we organized an activity on 'Creepy Crawlies'. Children were taken virtually to the world of different bugs through power point presentation. They were also involved creatively by making different creepy crawlers.

EAT RIGHT – FSSAI – CLASS IV – APRIL 8, 2021

To inculcate healthy eating habit amongst the children, Eat Right activity was organised for the students of class IV. The children were guided how to read the food labels.

HUMOUR IN CLASSROOM – CLASSES I TO V – APRIL 8, 2021

To improve the pronunciation of the students, Fun with Tongue Twisters activity was conducted during the online read to lead sessions. This activity resulted in rambunctious laughter and the children had a blast during the session.

BOOK WORMS – DIY BOOK MARK MAKING ACTIVITY - CLASS III – APRIL 2, 2021

A book mark is not only the expression of the idea behind a book, but it is the medium through which the readers engage to the idea. A Book Mark Making Activity was organised as the colourful images on the book marks attract the children and help to inculcate the habit of reading amongst them.

YOGA AND ME – TALK ON PHYSICAL FITNESS AND YOGA – CLASS III – APRIL 5, 2021

The discussion on how and why to maintain a healthy lifestyle, laid emphasis on the importance on healthy mind, body and soul. An enlightening counselling session sensitized the students about personal hygiene and the importance of balanced diet.

LITTLE CHEF - PUFFED RICE PEANUT BUTTER BALLS MAKING ACTIVITY –

COOKING WITHOUT FIRE- CLASS III – APRIL 6, 2021

Cooking without fire activity was conducted to create awareness about the nutritional value of food cooked without fire. Children prepared Puffed Rice Peanut Butter Balls and served the same in an artistic and aesthetic way.
