“ Cherish your vision and your dreams, as they are the children of your soul, the blueprints of your ultimate achievements.”
-Napolean Hill

Dear All,

The need to productively engage our students in creative endeavours, engineering them with positivity and exhilarated vigour and making it a joyful learning experience for our students has always been our priority. To facilitate this voyage to uplift the mind, body and soul, the school introduced the first digital 'Hobby Hub', during the summer break. In order to channelise the latent talents and skills of learners, a host of innovative activities were designed by our assiduous teachers. The initiative proved to be a nutritional fodder to the receptive young minds, who got beneficial opportunities to indulge themselves in a gamut of activities. It provided them a platform to display their ingenuity and dexterity in a creative manner. Students were able to exhibit diverse and edifying work in a fun filled environment, manoeuvring their energy in a rewarding way. We hope that a confluence of their energetic endeavours in this newsletter will bring a smile, spread a ray of optimism and enable the readers to envision a better world beyond the horizon.

Warm Regards
Suruchi Gandhi
(Principal)

Dear Children,

We firmly believe that each one of you harbours the ambition to touch the skies and possesses distinctive talents that shall enable you to attain victory against all odds. Your unbridled joy while discovering new spaces and cultures during virtual tours, your inventiveness while creating something novel out of waste products, your impassioned zeal while perfecting a symphony and your relentless efforts to excel in every field not only left us spellbound but also allowed us to conduct these 86 sessions with soaring enthusiasm.

Heartiest Congratulations to you for your zestful and exuberant participation in the first ever Digital Hobby Hub. It was a delight to witness your motivation and ebullience as you acquired new skills.

I am overwhelmed with pride when I think about what you have been able to accomplish in such a short span of time. You have demonstrated that hard work and resilience that pave the way for success and glory. Keep up the good work.

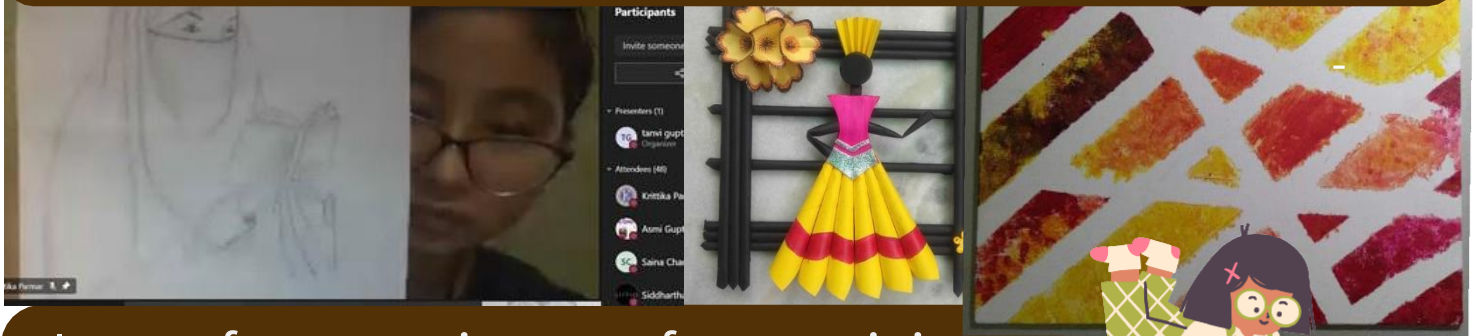

All the best!
Sandhya Kakkar
(Vice Principal)

ART ATTACK AND RECYCLED CRAFT

The Hobby-Hub classes were a great experience for me. It was a great opportunity to learn things during lockdown.

-Akshita Jain IX-A

It was fun entrainment for us, giving us some nice ideas to make something good.

-Akshita Sharma 6C

GO GREEN WITH GARDENING AND FITNESS HUB

The 'Go Green', with the Gardening class was amazing. We learned so many things for example, how to take care of plants, how to make fertilizers for plants, how to make compost and many more things, which were really interesting. It was very nice to have a class like this, and I enjoyed it a lot.

-Shambhavi Garbyal 7B

It was an immense pleasure being part of the Hobby Hub, I want to thank my teachers for letting us know and learn new things even in the present conditions.

We as students enjoyed a lot !

-Rhythm Arora 10B

The fitness class was amazing. We learned many yoga poses, body workouts, aerobics and rope skipping. We also had challenges which we needed to complete. I enjoyed the classes very much and will be looking forward to do it again.

-Shreeya Sardar 7B

"EXERCISE NOT ONLY CHANGES YOUR BODY, IT CHANGES YOUR MIND, YOUR ATTITUDE, AND YOUR MOOD."

My experience with Hobby Hub was really amusing. The classes were really interactive and engaging. It gave me a platform to polish my skills. I liked all classes immensely, but personally, Dramatics, was close to my heart. The fun activities like storytelling during Dramatics was like an icing on the cake. I would like to thank Neerja ma'am and Neelam ma'am to introduce us to this world of dramatics. Overall, my experience with Hobby Hub was impeccable.

Narrating a story in Dramatics class

-Kavya Garg 8C

I enjoyed a lot and learned new things and also got to know many teachers and students.

-Ahana Singh 8C

I really learned a lot of things during this hard time. I could engage myself purposefully. It helped me a lot.

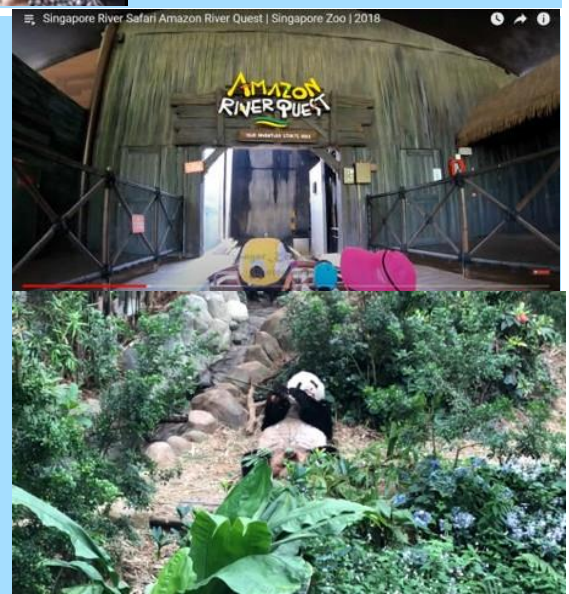

-Riddhi Singh 9 B

The Hobby Hub classes were very informative and enthusiastic.

-Aaradhya Kumar 6 A

ONLINE BOARD GAMES, ART OF PUBLIC SPEAKING

The chess class was so much fun. We learned how to play chess and solved many puzzles. We had many tournaments. This class was so much fun. I will be looking forward to do it again.

-Shreeya Sardar 7B

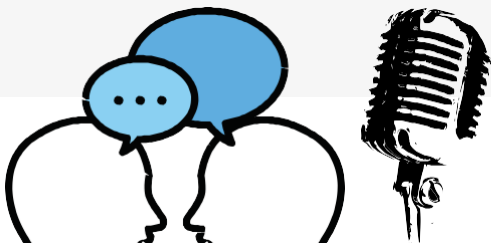

One thing that I really appreciated about the Hobby Hub was that, despite having many participants from various classes it gave the participants the opportunity to have meaningful one-on-one conversations as well. Not only did the Hub help me overcome my fear of public speaking, but it also exposed me to various perspectives and insights on topics that I could never have thought on my own.

-Sanidhya Barara 10D

I loved the Online Board Game Classes, as I got to play various games with my friends and classmates. The best part is that we can continue to play online games without classes also. I would like to thank my teachers to make sure that we had a wonderful time.

-Ashna 6C

DIY HACKATHON, MUSIC- THE MELODY DRIVE

The Diy Hackathon class was my favourite class as we did alot of diys and hacks. We also talked about our experiences and talked about the logics behind the crafts. Overall for me it was a nice experience.

-Lavanya Sharma 8D

Thank you Tanvi ma'am and Kajal ma'am for teaching us so many interesting hacks and crafts during the Hackathon Hobby-Hub classes.

-Asmi 6D

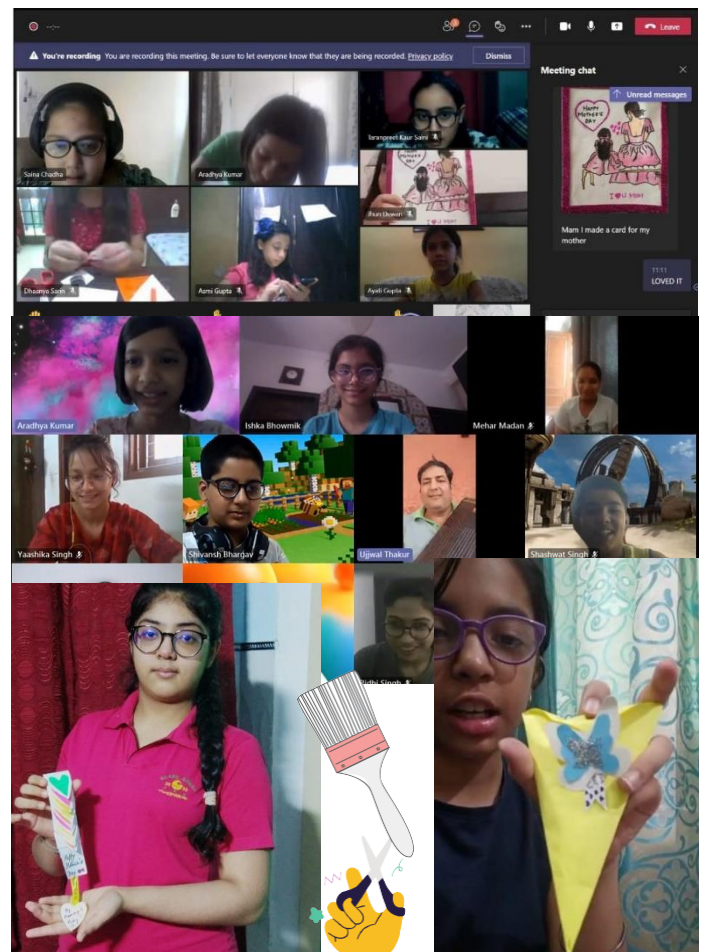

It was wonderful. I really enjoyed the music activity. It helped me to know myself more. I hope we could get our Hobby Hub classes again.

-Riddhi Singh 9C

It was a wonderful experience being part of the Hobby Hub, the online way- which was a treat for the students of BBPS, as well as, learning new things. I personally liked Diy Hackaton from which I learned many new ways of resolving problems. I thank all my teachers for the wonderful sessions.

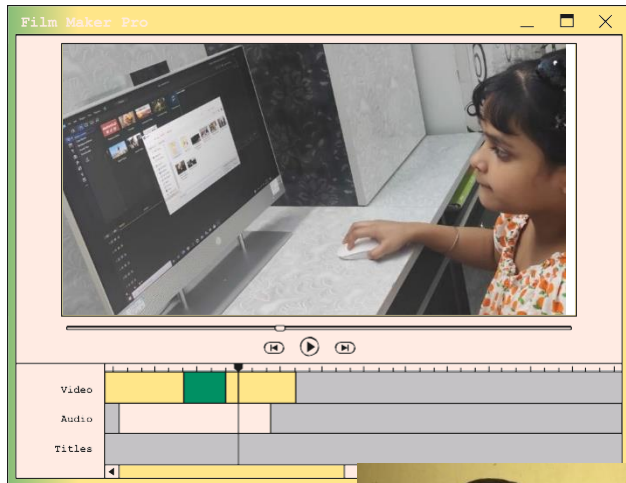

-Rhythm Arora 10B

VIDEO EDITING, CHEF'S VISION

I really enjoyed and learned a lot in a comfortable environment. It was an amazing experience. By the teacher's support and guidance, I made a video in PowerDirector. I am looking forward to have more sessions of Video Editing. Thanks to Rajesh sir and Sony ma'am for continuous support and guidance.

0B

Video editing was my favourite Hobby Hub class. I learned using power director software. I used this software to make some videos for my family and friends. Many thanks to Sony mam and Rajesh sir for the wonderful sessions.

-Khanak gupta 6B

I learned many new things from Hobby Hub classes. My favourite class in Hobby Hub was Chef's Vision. I had made many recipes and my family loved them. Thank you.

-Meher Madan 6C

It was an interactive and fun activity for me. I learned new things like cooking, editing and many more fun activities.

-Khyati singh 6B

Hobby Hub

I wish I had a magician's hand to paint
the world with colours of joy.
I wish I could dress my planet in Green.
I wish I could drift blissfully
like a mermaid in the emerald sea.
I wish I could dance slipping and
sliding my feet to the music of harmony.
I wish I could jump, skip, run,
play blithely.
I wish I could bake and
savour the dishes to my heart's content.
I wish I could perform and
speak loud and clear and be heard.
These dreams are effervescent and
have been redeemed.

Dear Students

The sparkle and energy that you brought to the sessions was enchanting. As an educator, it was gratifying to observe that even during this tumultuous phase, you have demonstrated to us the importance of camaraderie and perseverance through your participation. Keep up your spirits.

Rise and Shine!
