15. Ms. Bhawna Mittal

16. Ms. Divya Grover

The workshop was very informative as they learnt about the various Google tools that can be used for assessments – Google Forms for designing effective feedback, Google drawings for preparation of picture-based worksheets, Jamboard activity, Google Docs etc.

ROBOTICS WORKSHOP

The school, in partnership with Avishkaar, organized Robotics Day, where students got an opportunity to develop the 21st skills of teamwork, resourcefulness and spirit to excel and innovate. Robotics club students from grade 6 to 10 actively participated in online events like App Development and Virtual Simulation Programming and got their doubts clarified from experts.
