It's been a great experience so far, school is one of the best schools in Delhi with good infrastructure. Moreover the faculty is equally diligent. They take an amazing approach to teaching kids, and working with kids. Through the pandemic, I have been incredibly impressed with their approach to teaching and going above and beyond. The class teacher pays individual attention to every child during online classes also. Most importantly the school still instils ethics & values in every child.
Totally Satisfied & highly recommended.

This was a great decision to choose a best school for our child. Bal Bharati Public school, Dwarka is one of the best school in west Delhi. Teachers of this school are very engaging and energetic. In this COVID-19 situation, they support us virtually to handle our child's growth . She is encouraging children to involve in all activities. If you want to give your child(ren) a stellar education while they are nurtured to be their best, most confident selves then I encourage you to seek out this school.

Thanks to all Teachers!!

We made the correct choice when we selected the Bal Bharati Public School for our both the kids. The way teachers have helped our kids to develop their individuality, while at the same time emphasizing self-discipline and respect towards others, has truly been a wonderful experience. We look forward to watching continued development of our kids. We sincerely thankful to Principal Ma'am, all teaches and entire school staff.

My daughters are studying in Bal Bharati Public School, and I must say, getting our daughters admission into this school is one of the best decisions we've made in our life. They are really fortunate to have gained an opportunity to be a part of the Bal Bharati Public School Ecosystem.

Even in this pandemic situation, teachers are putting in their best efforts to put the concepts across to each and every child. They're also leaving no stones unturned to form a bond with the students, which is no mean task considering the situation. Apart from classroom activities, they're also putting in 100 percent to focus on the all round development of the child through inter school competitions and extra curricular activities. The concepts are being taught in the best possible manner, and in a way that is easy for students to understand. We're eternally grateful to all the teachers, Headmistress ma'am and principal ma'am for providing us an opportunity to be a part of the school and for taking such good care of our children.

My children are studying in Bal Bharati public school Dwarka. It is said that schools shape a child to become more responsible adults. A good student is the product of a good school. Bal Bharati school has excellent teachers who help students with studies, sports, and other extracurricular activities. They are the building blocks of a school and teach important lessons that student must apply in their daily lives. It teaches student to co-operate with their friends and classmates. The basic value of sharing is taught right from the beginning. Bal bharati Public school has smart classrooms and well maintained labs, playground, auditorium. Equal weightage is given to both studies and co-curricular activities so that children develop into better individuals. This school will always try to focus on our overall growth and transform child into healthy adults.

I am thankful to all teachers for their dedication and support always, even in pandemic. They have shown their adherence towards students while conducting online classes.

I am glad to see that my child is associated with such a wonderful school which is working for the holistic development of my child as we have witnessed through the online sessions.

My son is a student of Pre-primary. He is progressing well & enjoying the happy learning at home. There is appropriate balance between delivery of session and screen time.

I would like to thank & appreciate the efforts of teachers and entire BBPS team for their support and adoptions of online teaching methodology, well designed curriculum, teaching in a fun and professional way, individual attention and their engagement with kids.

Various webinars are being organized by the school for instilling the right values to our children.

Proud to be part of BBPS Family.

BBPS without doubt is one of best schools in Dwarka. During this pandemic time I was having mixed feelings how online classes will go on but school administration made everything comfortable for parents. I would like to thanks each one from the school staff wholeheartedly for putting in their efforts and contributing their bit for facilitating online classes. Initially it felt too tough for me to make my child sit but special mention to Kavita Mam who comforted each and every student and made them participate in every possible manner. My son has started enjoying the classes a lot. Assuming that online classes were so fun for the little ones, it will be a wonderful experience and lesson for life when classes resume physically.

I would like to extend a warm thank you on the behalf of my child, to all the teachers who made the online classes as informative and useful as possible. Bal Bharati Dwarka School has a great infrastructure & good school atmosphere as well. My daughter fortune and lucky to get the admission in Bal Bharti Public School Dwarka & look forward her holistic development in all fields.

Not just this but moreover the classes were much more interesting with the use of videos, clip arts, activity sessions presented for the kids, making the whole process of learning so much more fun.

I would like to extend my thanks to my child's class teacher especially who was always there to motivate the children and it was a delight to watch that despite of staying at home the children were provided the opportunities to take part in several interactive competitions.

A warm thank you to Bal Bharti Public school Dwarka for being there for our kids in such difficult situations..

Looking forward for many more positive support for our kids.

Every school aspires to provide a structured education and promotes child's mental and psychological growth. But at Bal Bharati Dwarka, aside from learning academics, a child is also taught important life skills such as Teamwork, Etiquette, Unity, Moral, Courage, and most importantly to be a Good Citizen. As a parent, we are glad that our daughters are proud Bal Bharatians.

Bal Bharati Public School (BBPS), Dwarka truly demonstrate key essentials of School's Success in the form of Effective Leadership, Collaborative Teachers, Supportive Environment and Involved Families. Individual attention not only helps child in improving academic performance but also builds confidence, trust, and motivation to unleash hidden talent. I am very happy, satisfied, and delighted that both my daughter and son are studying in this school. It has been a great association of 6+ years with such an excellent school.

BBPS, Dwarka is doing very well in all spheres and is actively engaged in grooming its student to become responsible citizen of the country. The right balance of academics and extracurricular activities is simply commendable. I would like to sincerely thank all the Bal Bharati School Dwarka teachers, Principal, Vice Principal, Headmistress ma'am and acknowledge their efforts for their dedication in providing quality education always and especially now through online medium in these testing times. Both my kids really enjoy these online classes a lot and remain engaged as it provides effective use of technology and learning. Special thanks to class teachers for their continuous efforts to ensure the same. I would highly recommend this school to the parents of all the aspiring kids...
