***The joy of life comes from our encounters with new experiences, and hence there is no greater joy than to have an endlessly changing horizon, for each new day to have a new and different sun.***

Dear Parent,

With the decline in the severity of the COVID-19 pandemic, a new ray of hope and optimism has shone upon us all. In accordance with the guidelines issued by Directorate of Education, Govt. of NCT of Delhi, the school is all set to welcome back all the students of **CLASSES 6 TO 12 W.E.F APRIL 04, 2022 FROM 8:00 AM TO 2 PM.**

The beginning of an academic session is an opportunity for educators and learners alike to reinvent the pathways to education, to foster a resolute spirit marked by renewed enthusiasm, determination and resilience aimed at deeper interpersonal linkages. We believe that an exhilarating return to normalcy shall not only allow students to bridge any learning gaps that might have hindered their academic progress but shall also allow them to reap the multifarious benefits of peer bonding and enable them to acquire essential social and life skills. The school has always striven to provide a holistic blend of academic and co-curricular pursuits to aid the development of a well-rounded personality and shall strive in the same vein to furnish avenues for the growth of children. The detailed time-table for each class shall be shared shortly. **In view of the limited number of consents received for use of school transport, it will be difficult to provide the same. Parents are requested to make their own transport arrangement and share the details i.e. name, relation, phone no, email of the escort of the child to the class teacher by April 3, 2022 positively. A separate form will be issued for the same.**

**We are grateful for the unbridled support we have received from the parent community during the past two years and continue to seek your cooperation in all our future endeavours.**

Warm Regards
