COVID APPROPRIATE BEHAVIOUR IN SCHOOL

Dear Parent,

The rising cases of COVID-19 pandemic in the city are a cause of concern amongst parents and educators alike. We hereby assure you that the school is strictly adhering to the COVID protocols, laid down by the Govt. of NCT of Delhi. The school is fumigated and sanitised on a regular basis. Morning assemblies have been suspended with effect from April 19, 2022. Any confirmed cases of coronavirus are dealt with immediate action. Specific classrooms, where positive cases have been reported, are closed down and classes are facilitated for students in the virtual mode.

We also urge you to take appropriate precautions to halt the spread of the infectious disease. Make sure that your child wears a face mask and carries a hand sanitiser to school every day without fail. We also beseech you to counsel your child to maintain suitable distance from his/her peers during classes and lunch break and refrain from indulging in physical contact with others. Learners are also expected to prohibit from sharing personal belongings such as books, notebooks, stationery items, lunch boxes and water bottles. **If your ward displays any symptom of the ailment, including cough, cold, fever and fatigue, it is mandatory to get him/her tested. In case your ward tests positive for COVID-19, you are requested to intimate the school authorities so that necessary measures can be taken.**

Our collective endeavour is to quell any fears or insecurities that may arise out of the prevalent circumstances. We insist you to abstain from paying heed to any rumours regarding the shutting down of school premises. All efforts of the school shall be geared towards providing you authentic, relevant and timely information.

We solicit your cooperation and support in ensuring the well-being of our children and facilitating a safe and healthy learning environment for them in time to come.

Warm Regards

Suruchi Gandhi
Principal
