Parent Online Orientation

Classes I-II

Dear Parent,

We have always remained steadfast in our commitment towards student well-being. The school has unflinchingly ensured that students are provided with happy and safe learning spaces. Our educators are eagerly waiting to welcome our young learners as schools re-open after the summer break. The students must also be looking forward exuberantly to meet their friends and teachers. However, some students may be anxious about joining school after the vacations.

With this intent, the school has organized Online Parent Orientation Session for classes 1 and 2. The session will be conducted by the School Counsellor Ms. Saaneya Kapoor and will aim at empowering parents to enable their ward to adjust to the school environment. The session link will be shared by the class teacher.

Date	Time	Class
July 2, 2022	11:00 a.m.-12:00 noon	1
July 2, 2022	12:15 p.m.-1:15 p.m.	2

Looking forward to your active participation and support for seamless and smooth transition for our children.
