MEDICAL CHECK-UP CAMP (JULY 5 TO 8, 2022)

School organized the annual medical checkup camp for students of all classes from PP1-XII. Students were screened on different health aspects i.e. General Health, Ophthalmic Health, Ear, Nose, Throat, Oral Health and Skin Health by a team of experienced doctors such as General Physician, Dentist & Optometrist.

The diagnosis and remarks of the doctors were noted in child's individual health record sheet. Wherever required individual discussion was arranged between doctor & parent, regarding child's health.

SCIENTIFIC SOCIAL RESPONSIBILITY CELL- 13th and 14th July 2022

The school organised an Outreach Program for students of classes XI and XII, in collaboration with Deen Dayal Upadhyaya College, University of Delhi. Held under the aegis of DBT Star College Program, Science Foundation; IEEE Electron Device Society (EDS) –Delhi Chapter and The National Academy of Sciences, India (NASI) - Delhi Chapter, the programme aimed to expose children to examples of clear and rational thinking, with the hope that they would adapt the methodologies of scientific inquiry – experimentation, data collection, classification, hypothesis formation, use of logic, etc. – to other spheres of life.

'RUN 4 RIVERS CAMPAIGN' - 1st June'22 to 5 th June'22

With an aim to create awareness about Sustainable Development Goal 6: Access to Safe Sater and Sanitation, students signed up for free, virtual #WorldRiverRun at worldriverrun.com. An awareness run was also organized from the school grounds to Sector 12 Metro station.

DISASTER MANAGEMENT

'Drop Cover Hold' drill was held in all the classes from VI-XII to train students during earthquake calamity.

EXPERIENTIAL LEARNING- NEP 2022

MAKING MODELS BY PLAY DOUGH (JULY 5, 2022)

- Students of Class IX were engaged in group activity as a part of experiential learning, wherein they prepared models of plant and animal cell using play dough. As a group activity, not only it strengthened team work and collaboration, where underachievers could learn from their peers about the different components of cell, but also provided a boost to their kinesthetic

intelligence.

b) Students of class 8D and 8E made human eye models by using colourful dough.

WALL HANGINGS

Students of Classes XI A and B made wall hangings to understand definitions, types and examples of literary devices prescribed in their syllabus.

FLASH CARDS

Students of class IX C engaged in a flash card (polynomial identities) making activity during maths class.

GEOGEBRA

Using “Geogebra” app, students of class VIII explored/visualised properties of parallelogram.

SKETCH MAP

Students of class VI drew a sketch map, depicting the route of their school from home. The activity was focused on learning direction & navigation and conventional symbols as well as index and title used in drawing a map.

BEAD MAKING ACTIVITY ON INDUS VALLEY CIVILIZATION

The chapter on Indus valley civilization was introduced in class VI with a bead making activity, where students created toys used by Indus valley people.

HUMAN DIGESTIVE SYSTEM AND PHOTOSYNTHESIS PROCESS USING CLAY

Students of class VII A and B actively made labelled diagrams of human digestive system and photosynthesis process, using clay. This activity not only helped them construct their understanding of the concepts in a fun and engaging way but also developed their creative thinking and kinesthetic skills.

KINESTHETIC LEARNING AND CRITICAL THINKING IN CLASS VI A AND D-

Students were asked to depict geographical entities using a specific colour:

Water body/river- Blue Colour

Vegetation/forest- Green Colour

Wildlife- Brown Colour

All students in class had to pick a suitable place to live if they were hunter- gatherers. Students also speculated which factor they would prefer more over others.

BOARD GAMES FOR LANGUAGE LEARNING

Students of Class VI and VII actively participated in Board Game Activity in class, based on English Grammar after completion of their lessons.

ACTIVITY BASED ON LESSON "ADRIFT A LITTLE BOAT" CLASS-VI

Students of class VI enjoyed the activity "Boat Making" based on the lesson: "Adrift a little Boat Adrift". They used waste newspapers to make a boat and expressed their emotion related to it.

ACTIVITY BASED ON LESSON "GRASSHOPPER AND CRICKET CLASS VI

Students of Class VII participated in an activity based on the lesson "Grasshopper and Cricket", using A4 size sheets, colours, sketch pens etc. After the activity they recited the poem with proper modulation and tune.

ACTIVITY: HASHTAG MAKING

Theme: water conservation

Students of class X-C created hashtags and captions for social media (instagram) and posted message of water conservation for awareness under chapter water resources.

ACTIVITY: USE OF CLAY TO UNDERSTAND LAYOUT OF HARAPPAN CITY.

Class: VI A,C,D

ACTIVITY: TOPIC: RIVER SYSTEM OF INDIA

-----CLASS-9D-----

ACTIVITY: EXPERIENTIAL LEARNING

Class: 6E

Topic: MAPS

SUMMER PATENT SCHOOL AT SHOOLINI UNIVERSITY, SOLAN

Aryan Tyagi (XII B) was awarded a certificate for young research scholar by Shoolini University for his work on filing a patent for a cabin depressurization seal for airplanes flying at high altitudes and the first stage of designing was almost complete. The award ceremony was attended by Professor Anil Sahastra buddhe (Head of AICTE), Professor P.K Khosla (Chancellor of Shoolini University, Professor Atul Khosla (Vice Chancellor of Shoolini University), etc.

PEARL ACADEMY VISIT

The Class XII students of the school visited pearl academy on 22 July 2022. New age Careers were discussed and hands on experience was provided to the students. Students witnessed Design applications in Interiors & Spatial Design, Product & Lifestyle Accessory Design, and Communication Design (Graphics & Interaction Digital). The students also attended Fashion Show rehearsal which was especially performed for them by Pearl Academy Graduates.

MONTESSORI DEPARTMENT

SUMMER TRAINING /CAPACITY BUILDING SESSIONS FOR FACILITATORS (MAY-JUNE 2022)

A team of experts and educationists conducted online training/capacity building sessions for facilitators of all units of the school PAN India. The workshops were conducted from May 31 to June 08, 2022 exclusively for teachers of Pre-School and Pre- Primary.

ART COUTURE (MAKING A TOY UMBRELLA)- 04.07.22

Children enjoyed making a toy umbrella with origami sheets and related it well with the ongoing rainy season.

HOP ALONG FROGGIES (FUN GAME)- 06.07.22

In order to train our young Bal Bharatians and inculcate healthy sportsmanship and fitness, 'Frog Race' was organized. The little athletes came dressed up as frogs and thoroughly enjoyed the competing with their peers.

FROG HOP (MY LITTLE TOY FROG)- 08.07.22

MONSOON TREATS (COLD COOKING)- 12.07.22

To develop the skill of non- flame dishes, the activity 'MONSOON TREAT' (Cold cooking) was organized. Children prepared "Bhel" and nachos with great interest.

NATURE WALK: A MOVE OUTSIDE (15.07.22)

The innate curiosity of children was showcased when they turned off all electronics and used all five senses to explore nature. Experiential activities such as collecting twigs, leaves etc helped them engage with their natural surroundings. They also watched ants carrying sugar grains to the anthills.

A WHIMSICAL WONDERLAND (STORY TIME)- 20.07.22

To boost listening skills and broaden the vocabulary of children, 'Story Time' activity was conducted by class teachers. Children listened to the story "Goldilocks And The Three Magic Words" with great interest. They also carried home the stick puppet of a bear.

PRIMARY DEPARTMENT

GLOBAL ACTION DAY

School was applauded and awarded for its active participation in FEE's (Foundation for

Environmental Education) Global Action Days. The committed involvement by students in #MyActionsMatter Campaign, an initiative to promote green practices, received much acclaim.

SPARKLING STARS OF PRIMARY

- Book review written by Stut Keshri of class VE was published in TTIS (The Telegraph in Schools)
- Samayra of VB secured First Position in the Inter - Academy Skating Competition held on July 3, 2022, organised by TSY Academy, in association with Southwest Delhi Basketball Association, South Delhi Skating Association.

INNOVATIVE TEACHING

MINDFULNESS

Mindfulness exercises and activities were included in daily lesson plans to prioritize social-emotional learning. Children began their day with breathing and meditative exercises to develop their self-awareness and self-regulation skills.

MIND BODY SOUL INTEGRATION

Mind, body, and soul engaging activities helped children explore and imagine new things. These engrossing activities emphasized building awareness and paying attention to the present moment with great care.

PROJECT – ZERO – WASTE CLASSROOM

ZERO – WASTE CLASSROOM is a small but passionate movement, spearheaded by teachers and students of class V. Children made an effort to lessen the amount of waste, as dustbins had been removed from the classes.

ACTIVITIES GALORE

INTERNATIONAL YOGA DAY

School celebrated International Yoga Day with a lot of enthusiasm and joy. Children were engaged in invigorating Yoga sessions, high on fitness and immunity. The enlightening sessions apprised the young learners about how to balance their senses, body, soul and mind through Yoga.

CHEERS TO A FRESH START - CLASSES I TO V (04.07.22)

A special assembly was conducted to reorient young minds after summer break. The children had a rendezvous with learning in a fun-filled day with fun activities such as Happy Hearts, Floating Ping Pong Ball, Be Happy Bumblebee, Self Portrait Paper Doll etc.

HOCUS POCUS READY TO FOCUS - CLASS I & II (04.07.22)

Life skills go hand in hand with development and can help children succeed later in life. 'Hocus Pocus Ready to Focus' activity was conducted for students to equip them with essential life skills like self-grooming buttoning, folding etc.

MONSOON MERRIMENT FUN FIESTA - CLASS I & II – (04.07.22)

To celebrate the onset of cool, wet and pleasant days, activity on monsoon was conducted for children.

JUMPING JACKS (FROG RACE) - CLASS I & II (05.07.22)

Jumping Jacks activity was organized for the children to develop physical fitness, self-esteem and confidence. Children enjoyed hopping like frogs with their frog headgears.

PAINTED FEATHERS - CLASS III-V (14.07.22)

To enhance fine motor muscles and hand-eye coordination, 'Feather Painting' Activity was conducted for the students of classes III – V. Children enjoyed painting feathers using poster colours and showcased their creativity.

MANGOLICIOUS - CLASS I & II (14.07.22)

Mangolicious was organized to celebrate the season of the king of fruits, 'Mango'. Children enjoyed making puddings, using fresh mangoes, cream, and sugar. The importance of healthy eating and the benefits of eating mangoes were also discussed in class.

LIBRARY INITIATIVES

CELEBRATION OF READING DAY ON 19th JUNE AND READING WEEK FROM 19th JUNE TO 25TH JUNE 2022

The Central Board of Secondary Education (CBSE) celebrated 25th National Reading Day on June 19, 2022 to honour the father of the Library Movement in Kerala, the late P N Panicker. Sr Library organized the following activities for students of classes VI- VIII to commemorate the death anniversary of the venerated figure:

1. Creating a Reading Nook.
2. Reading Time Lines
3. Design a Book Cover
