Dear Parent,

Success is not defined by a triumphant moment of glory, rather it is shaped by desire to conquer higher summits of victory and ability to persevere, toil and retain it. Bal Bharati Public School, Dwarka, through its tenacity and consistency has retained its luminous place amongst the pioneers of Education in the country. The school has been placed **amongst top 2 schools in Dwarka** region by a survey conducted by **Times of India for the 8th year in succession**, maintaining its enviable position with aplomb and panache.

Committed towards imparting holistic education, the school focusses on implementing neoteric teaching pedagogies. With our students winning tremendous acclaim in multifarious fields like academics, sports, art, science, technology and innovation, the school continues to distinguish itself in the field of education and is one of the most coveted spaces for school learning.

We are grateful for the sagacious guidance provided by the school management and the ceaseless cooperation extended by you all dear parents that have allowed the school to reach the pinnacle of success. We aspire to paint the eduscape of the country with luminous colours in the years to come.
