## Towards Holistic Health and Wellness

### Bal Bharatians Always Conquer!

*Student Wellness has been the hallmark and a pivotal pillar of education at BBPS, Dwarka. We have diligently placed student well-being at the heart of school ethos and culture. We ardently believe, for children to embark on a journey of happiness and success, it is imperative to fill their lives with colours of good health and joy.*

*Over the past 25 years, we have spearheaded initiatives with ingenuity and dynamism. Our Annual Calendar (2023-24) is a compendium of our tireless efforts to facilitate the all-round development of children. We have actively created opportunities for students to reflect upon issues of holistic development, mental health, and resilience.*

*Our unparalleled commitment to student wellness has enabled us to scale lofty heights and set new benchmarks. Our core values – compassion, collaboration, excellence and integrity – will continue to guide us in all our endeavours.*
