

BAL BHARATI PUBLIC SCHOOL, DWARKA

JANUARY TO MARCH 2023

SCHOOL ACTIVITIES

THE PLANETARIUM SHOW (FEBRUARY, 2023)

645 students of classes I-VIII experienced the constellations inside a mobile planetarium and learnt basic astronomy skills.

E CIGARETTE CAMPAIGN

To sensitize students about the perils of substance abuse and to spread awareness about various forms of E-CIGARETTES, a session was conducted for students of classes VIII-X. The session shared pertinent information about the harmful consequences of nicotine exposure. The session also included student centred activities such as PPT designing and video making.

MOCK ELECTION ACTIVITY

To sensitize students about democratic and secular ethos of our nation and to make them aware about their fundamental rights, an experiential activity on Mock elections was conducted in class VIII. The democratic principle- One Person, One vote, One Value was also discussed.

NURTURING POSITIVITY AND OPTIMISM

To develop in students Resilience, Positivity and Optimism, School Counsellor conducted the following activities.

Nurturing the seed of positivity

Role Play and Story Telling

ECO CLUB - ECO-SCHOOL PROJECT - Activities

Children being the future policymakers of this planet, need to be trained and empowered enough to hold the eco baton firmly for all of us. The eco-School project is an initiative to promote environmental education and awareness about sustainable development.
