

TOOLKIT

/ˈtuːlkiːt/

The official Student Council newsletter
Of the students, For the students, By the students!!

From the Principal

Dear Parents & Students,

I am delighted to present to you the “Toolkit”, which is a testament to the incredible creativity, talent, and hard work of our Student Council.

It is a true reflection of the diversity and vibrancy of our student body. From thought-provoking articles to captivating photography and engaging events, every page is filled with stories that showcase their hard work, passion and achievements.

I want to take this opportunity to express my heartfelt appreciation to all the students who contributed to the newsletter. Their dedication and efforts have made this a true masterpiece. I also want to thank the teachers, staff, and parents for their support and encouragement to students throughout the year.

As we celebrate the accomplishments of our students, I urge each one of you to continue pursuing your passions.

Once again, congratulations to the student council and I look forward to seeing all the fantastic things you will accomplish in the future.

(Suruchi Gandhi)

Principal

The Investiture

Punya Garg (Head Girl)

"Leaders are not born but are made by their experiences in life".

At BBPS Dwarka, Investiture Ceremony is not just about providing titles, but about conferring responsibilities and reaching the heights we desire. It was the day when we transformed from reckless to responsible, timid to team, and student to student council. This momentous occasion symbolised the beginning of a new phase in our lives as student leaders. It was a splendid event with dance, music and an oath taking ceremony. It was enjoyed equally by parents, teachers and students.

Initially the teachers supervise the council proceedings. With different minds come different thoughts. Disputes arise but are encountered courageously by the council members. They arrange meetings and discuss the controversial topics and resolve the disputes. The true meaning of student council means teamwork and where there is teamwork there are always adjustments.

The Formation

Saorabh Yadav (Deputy Head Boy)
Pragati Ranjan (Deputy Head Girl)

At BBPS, Dwarka we follow a three step procedure:

First, students fill a form to share their achievements and qualifications. Then the interviews, first with the teacher coordinator and then with Vice Principal ma'am. After the third round, the two heads are finalised and they are allotted their respective duties.

Annual Sports meet

By Ayush and Meetali
(Sports captain)

BBPS Sports meet is an annual program which takes place in our school. While hosting the event we came across many problems as this was one of the first event of our team but we had a strong support system who helped us to get everything on plan. We had duties not only in ground but in auditorium, food stalls and reception as well. The event was managed by us. At the end it turned out to be a great exposure and successful event which had a huge place in everyone's heart . We thank our teachers and Principal Ma'am for giving us this chance to showcase our management skills.

Carpe Diem

Saanvi Jha (Jawahar House Captain)

Carpe Diem– The ATL Fest wasn't just an amazing opportunity for budding scientists but also us, the organisers and hosts. It was one of the first events which gave us an insight into working as a team under high pressure situations and also a chance to represent the values of leadership and ethos that our school stands for. The fest also provided a marvelous occasion for us to work on our social skills. Interviewing the participants from different schools, interacting with the judges, and lending a helping hand as volunteers in the exhibitions were immensely helpful in broadening our “people prowess”.

Career Fest

Devanshi Singh (School Marshall)
Sanskriti Giri (School Marshall)

Career fest was a great opportunity for students and it helped spark our curiosity about different careers. It has opened up options for each stream student. It has enlightened me how can I find a career according to my priorities. It was extremely informative for the senior secondary graders.

Dhoom

Harshit Verma (Abhimanyu House Captain)
Mahonia (Shastri House Captain)

We learnt how to manage unforeseen factors backstage and how even the slightest delay can ruin things. We also learnt the importance of a backup plan to avoid the last minute panic due to any circumstance. Even if you aren't ready to do something, have faith in yourself and do it anyway because you have more abilities than you believe you do. The cultural performances also provided another aspect in event planning and polished our team-work and coordination.

Fashionista

Greek Yadav (Head Boy)
Drishti Sharma (Activity Coordinator)

Fashionista was a grand success. Everyone enjoyed a lot because it was different and unique from the regular events that are organised . We had ramp walk and talent hunt rounds .

Behind the successful event was the hard work of each and every member of the organizing committee (student council) and the art team . It was a very fruitful learning experience for all of us as we marketed the event ourselves. We convinced the students to participate in it and then all the art work all the management was done by the students . There were tense moments but what we are proud of is that we were united and we managed the pressure and we the members of SC as a team made Fashionista a huge success .

We all are really proud to be a part of Student Council and thankful to our teachers who constantly guided us throughout the year and were there for us when we needed them

4th of December saw the exuberant celebration and a fun filled day on the grounds of Bal Bharati Public School Dwarka. The theme was based on the completion of 25 glorious years of the school. Many reputed personalities were invited as our chief guests and the inauguration of the carnival was done by our school principal.

Numerous game stalls, art and craft corner, jewellery and clothing stalls were setup. The school teachers took charge of the game stalls along with some student volunteers. The students and visitors enjoyed the joy rides and the live DJ's pulsating music, along with a lot of mouth watering food stalls. The raffles added special excitement for the visitors. The satge was set in fire by performances of students, brilliantly decorated with the help of fellow council members. The event was tedious, and kept us on our toes but it also taught us all the importance of multitasking effortlessly. The unity and vigilance of our team made this one of a kind event hugely triumphant.

Winter Carnival

Manushree (School Marshall)
Priya (Subhash House Captain)

Fiesta was a grand success. Farewells are unforgettable moments. It's true that bidding adieu to your senior peers wasn't easy for any of us because we've spent almost all of our school life with them and created a lot of beautiful memories together.

From dividing work to giving the final touches, all the SC members put in their sweat and tears to make this event successful. It was incredible. We went through each and every thing exhaustively and made sure that everything went as planned.

Fiesta Farewell

Mehak Handa (Activity Coordinator)
Tanishka Saxena (House Captain)

The school has been kind enough to give us the opportunity to become a member of the Student Council and how to pull it together as a team. Although we are sad that we must soon depart from this position, we also cannot wait to see the wonderful things in store for us as our community transitions into a brighter and more promising chapter.

Daily Duties

Aakriti (House Captain))
Dishita (Activity Coord.)

The Student Council enforced rules & regulations, while setting a good example, and served on various committees providing them with extended experience in the responsibility and exercise of leadership. From helping teachers maintain a better school atmosphere to checking uniforms to monitoring late comers, there isn't any stone that the student council left unturned. Overall school activities like school functions, conducting assemblies and all major events of the school were also under us.

Self Defense Camp

Mahikaa Salhotra (Ashoka House Captain)
Vipashana Thakur (ASHoka House Captain)

A women's self defence program aimed at creating awareness amongst students about self defence techniques was organised by our school in association with Delhi police.

A trainer from Delhi Police was present to guide the students and help them face the complex challenges in the present day society related to violence against women, she captivated the audience by first demonstrating and then teaching several karate and MMA techniques as a part of self defence.

Anti Bullying

Ananya Mishra (House Captain)
Himesh Boora (House Captain)

The student Council has actively engaged among students and ensured none of the students are getting bullied. Be it lunch break or dispersal, It has been efficient at managing discipline and coordination among students. We have been in constant touch with the teachers, class prefects and as many people as we could, enthusiastically taking in their inputs and working on them. Anti bullying squads have made students aware and helped to prevent bullying.
