#### LIST OF WEBINARS ATTENDED BY STUDENTS: -

#### ✚ INDUSTRY ENGAGEMENT TRAINING SESSION FOR STUDENTS (ORGANIZED BY CBSE AND MICROSOFT) (FEBRUARY 1 TO 10, 2023)

CBSE and Microsoft organized an Industry Engagement Training Session for students of classes IX – XII. The session aimed to equip students with skills and knowledge required for the industry and provide opportunities for them to collaborate with industry experts.

The training session covered several topics including

- 1) An introduction to Cloud Computing using Microsoft Azure,
- 2) Microsoft Planner,
- 3) Microsoft Power Automate,
- 4) Microsoft Power BI, and
- 5) An introduction to Visual Studio Code.

During the sessions, students learned about cloud computing and how it can be used

to store and manage data more efficiently. They also learned how to use Microsoft Planner to organize and manage their tasks and projects, and how to automate their workflows with Microsoft Power Automate. In addition, students were introduced to Microsoft Power BI, a business intelligence tool used for data analysis and visualization. The sessions also covered an introduction to Visual Studio Code, a popular code editor used for software development.

The training was well-organized and provided students with a comprehensive understanding of the topics covered. The students were enthusiastic and engaged throughout the sessions, and the trainers were knowledgeable and provided useful insights. Overall, the Industry Engagement Training Session was a great initiative taken by CBSE and Microsoft, and it is hoped that more such initiatives will be taken in the future to help bridge the gap between education and industry.
