

Cover Note- International Dance Day (April 28, 2023)

Dear All,

Amalgamation of dance movement in education has multitude of benefits. Incorporating dance in curriculum fosters collaboration, promotes student creativity and effective engagement.

To encourage and inspire children to become versatile and nuanced performers through exploration of contemporary and classical dance forms, BBPS Dwarka celebrated “International Day of Dance” on April 28, 2023.

The zestful Bal Bharatians put up enthralling and riveting dance performances. Ms. Shalu Shrivastava, renowned Kathak exponent graced the celebrations and motivated the students to pursue the venerable art form with all their heart.

We share with you the heart-warming performances of our student through the You Tube link <https://youtu.be/F4mhJVaPrPU>. Please shower our children with your love and blessings.

Warm regards
