

July 27, 2023

Dear Parent,

This is to inform you that the Directorate of Education has launched a unique Action Research Social Internship Program, in collaboration with the Ladli Foundation Trust, for the students studying in Class 11.

This Social Internship is a unique volunteering opportunity for enthusiastic young minds to explore the grassroots realities and to create sustainable solutions to achieve Global goals.

The duration of this internship program is 6 months, starting from 1st August, 2023 to 31st January, 2024.

It is a certificate-based program that enables young minds to upgrade their profile for future career opportunities. It will help them to get recognition at international level due to the organization's accreditation with the United Nations.

Internship training and its related activities will be performed within the school premises.

It is mandatory for all the students to register for the internship program.

Link for registration

Last date for registration is July 31,2023

## Key points

a. Students will be provided the online training & assigned a specific topic for every month such as Digital literacy, Health & Hygiene, Life Skills etc.,

b. **Article Writing:** Students will be required to research and write an article based on their topic.

c. **Presentation:** Students will create a presentation summarizing the topic, their research findings and key insights.

d. **Workshop:** Students will conduct a workshop within their school, where they will present their topic to their peers in the presence of their teachers.

e. **Impact Assessment Report:** Students will document the impact of their research and internship experience.

## Benefits -

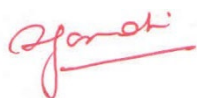

- Upon successful submission of the monthly report, students will receive the topic specific certificate at the end of every month.

- After receiving all 6 monthly certificates, students will become eligible to receive a Letter of Recommendation (LOR).

- Outstanding interns will be nominated for national and international awards

All students must seize this opportunity to be change makers of tomorrow.

In case of any query please contact Ms Archana Narang (PGT Chemistry).
