**LISTEN & SPEAK**  
**(Collaboration with What's New Podcast)**  
**Classes: II-XI**

**Dear Parents,**

The school has launched **Listen & Speak** program in association with **What's New Podcast**. This is a unique initiative by the school to build knowledge foundation and groom the students for 21st-century skills through informative podcasts every month. Innovative approaches to learning such as **PODCASTS** not only result in active participation and engagement but also foster the holistic development of students and their abilities to thrive in the ever-evolving world.

An **online orientation conference call** with the parents to introduce the podcast and drive the message about the importance of listening and public speaking will be soon scheduled.

The students would be taking one online assessment every month based on the featured podcast and the selected few will also get an opportunity to host a podcast every quarter.

Please contact the respective teacher in charge in case of any queries.

CLASS	TEACHER IN CHARGE
II-V	Ms. Sushmita
VI-VIII	Ms Rohini Gautam
IX & XI	Ms. Shruti Abrol

Regards

**(Suruchi Gandhi)**  
**Principal**
