"Every once in a while, a new technology, an old problem and a big idea turns into an innovation"

Dear Parent,

This is to inform you that the National Innovation Foundation (NIF) of India, in collaboration with the Department of Science and Technology (DST), is hosting the INSPIRE MANAK (Million Minds Augmenting National Aspiration and Knowledge) competition. This prestigious competition aims to nurture young minds and encourage them to pursue career in science and research.

Students of Classes VI - X are invited to submit their original ideas for technological innovations. These ideas can encompass any field, from improving everyday life to solving environmental challenges. We are looking for ideas that demonstrate originality, practicality, and a positive impact on the society. Interested students must submit their project ideas on the given link latest by Friday 16, August 2024.
