Dear Parent,

At BBPS Dwarka, we are committed to providing students with opportunities to hone their scientific skills. We aim to create critical thinkers, innovators, and entrepreneurs, aligning with the goals of NEP 2020.

To further enhance the STEAM acumen of our students, we are excited to announce the launch of the School Tinker Club in collaboration with Unnati Learning Solutions, a renowned service provider specializing in STEAM-based learning in Delhi NCR. This club is open **to students from Class III to Class X** and will enhance their technical skills and creativity, preparing them for prestigious national and international technological competitions.

### **BENEFITS FOR STUDENTS:**

**Empowers students with essential skills for the 21st century:** The Tinkering Club will cover a wide range of concepts, from basic electronics, mechanics, data visualization, and woodworking to advanced technologies like 3D printing, the Internet of Things, and design thinking.

**Certification from the Ministry of Information and Technology:** Students who complete the program will receive a certification, enhancing their credentials and recognizing their achievements. They will also be provided with micro kit free of cost. The program is scheduled to begin in August 2024 and will continue until March 2025. The fee for enrolment in the club for the entire session is Rs 3000/-. Interested students can submit the consent form to their respective class teachers along with a cheque of Rs 3000/- in favour of Bal Bharati Public School, Activity Fund by August 5, 2024.

We encourage you to motivate your child to take full advantage of this opportunity and take a step forward in their growth.

Warm regards,

Suruchi Gandhi  
(Principal)
