A landowner was gifted a roast chicken and a bottle of fruit juice by a farmer. The landowner called his servant and told him to take the farmer's gift to his house. He advised him not to uncover the gift on the way, for if he did so, the bird would fly away and even the smell of the poison in the bottle would be enough to kill him.

The servant, knowing his masters only too well, found a cozy corner, and not only ate the roasted chicken, but also drank the delicious juice in the bottle to the last drop.

When, at lunch time, the landowner went to his house, he asked his wife to bring him food. His wife asked him to wait as the meal was not yet cooked. The landowner thinking of the farmer's gift, said to his wife that the chicken and the juice which he had sent through the servant would be good enough.

He was shocked and angry when his wife told him that she had not seen the servant since morning.

Without loosing a minute, the landowner ran back to his place of work, and there he found his servant fast asleep .He shouted at the servant to wake him up. Then he angrily enquired about the farmer's gift.

The servant said, "Oh master, on the way to your house a strong wind blew away the cloth which covered the bird and it flew off. I was afraid you would punish me, so I drank the poison which was in the bottle." "And now." The servant continued, "I am lying down here waiting for death to come."

#### Q.2. ECLIPSE OF THE CENTURY (6)

When the new moon gets between Earth and Sun, and covers the solar disc completely, a total solar eclipse occurs. A total solar eclipse is easily the most spectacular celestial event one can view from Earth. An eerie darkness descends during totality, birds fall silent and stars peer out in the day time. The year--- 2009 saw a total solar eclipse on 22<sup>nd</sup> July 2009. It started at 5:28 a.m. and ended at 7:40 a.m. Its totality was around 6:30. Somewhere in the world a solar eclipse happens every 2 years or so, but what's so cool about this particular eclipse. Yes, this one was truly special. It was the longest total eclipse of this century and the longest seen in India since August 18, 1868. It is calculated that the next big total eclipse in the country will take place on June 3, 2114. Between then and now there is only 1 total eclipse on March 20, 2034 and it would just be visible in Jammu and Kashmir. The line of totality traverses a distance of over 3,000km. So, more Indians will be in the path of totality than ever in history!

Various phases of the solar eclipse are observed, such as (i)Partial phase during which shadows of tree leaves etc get a strange conical shape as the eclipse increases. (ii)Diamond Ring-just before and after totality. Sun's rays stream out, giving a stunning effect of a diamond ring. (iii) Bailey's Beads-tiny specks of light, like a sting of beads, appear from lunar valleys and craters. (iv) Corona-during totality, a breath-taking aura surrounds the invisible sun which is the solar atmosphere.

क) आज योग केवल भारत में ही नहीं संपूर्ण विश्व में किया जा रहा है। आधुनिक युग में योग का महत्त्व बढ़ गया है। इसके बढ़ने का कारण व्यस्तता और मन की व्यग्रता है। यदि मनुष्य शारीरिक रूप से स्वस्थ है, तो वह संसार में रहकर जीवन का सुख भोग सकता है और अपने सभी कर्तव्य एवं मनोकामनाओं को पूर्ण कर सकता है। शरीर ही वह माध्यम है, जिसके द्वारा हम अपने सभी कार्यों को संपन्न कर सकते हैं, इसलिए अपने शरीर को स्वस्थ रखना हमारा प्रथम कर्तव्य है और इसके लिए हम योग का सहारा ले सकते हैं।योग प्राचीन समय से ही भारतीय संस्कृति का अंग रहा है। हमारे पूर्वजों ने बहुत समय पहले ही इसका आविष्कार कर इसके महत्त्व को पहचान लिया था, इसलिए योग पद्धित सिदयों बाद भी जीवित है। योग करने से व्यक्ति का शरीर सुगठित और सुडौल बनता है। योग से न केवल तन की थकान दूर होती है, बल्कि मन की थकान भी दूर हो जाती है। योग करने वाला व्यक्ति अपने अंग-प्रत्यंग में एक नए उत्साह एवं स्फूर्ति का अनुभव करता है। योग करने से शरीर के प्रत्येक अंग में रक्त का संचार सुचारू रूप से होता है तथा शरीर रोगमुक्त रहता है। अतः हम सभी को एक स्वरूप जीवन जीने हेतु प्रतिदिन योग करना चाहिए।

- (ii) योग करने से मनुष्य को क्या लाभ होता है ?
- (iii) 'योग प्राचीन काल से भारतीय संस्कृति का अंग रहा है। 'इस कथन से क्या स्पष्ट होता है ? (2)

ख) फिजूलखर्ची एक बुराई है, इसके पीछे बारीकी से नज़र डालें तो अहंकार नज़र आएगा। अहं के प्रदर्शन से तृप्ति मिलती है। अहं की पूर्ति के लिए कई बार बुराइयों से रिश्ता भी जोड़ना पड़ता है। अहंकारी लोग बाहर से भले ही गंभीरता का आवरण ओढ़ लें, लेकिन भीतर से वे उथलेपन से भरे रहते हैं। जब कभी समुद्र तट पर जाने का मौका मिले, तो आप देखेंगे कि लहरें आती हैं, जाती हैं और चट्टानों से टकराती

हैं। पत्थर वहीं रहते हैं, लहरें उन्हें भिगोकर लौट जाती हैं। हमारे भीतर हमारे आवेगों की लहरें भी हमें ऐसे ही टक्कर देती हैं। इन आवेगों, आवेशों के प्रति अडिग रहने का अभ्यास करना होगा, क्योंकि अहंकार यदि लंबे समय तक टिकने की तैयारी में आ जाए, तो वह नए-नए तरीके ढूँढेगा। स्वयं को महत्व मिले अथवा स्वेच्छाचारिता के प्रति आग्रह, ये सब धीरे-धीरे सामान्य जीवन-शैली बन जाती है। ईसा मसीह ने कहा है-"मैं उन्हें धन्य कहुँगा, जो अंतिम हैं।" आज के भौतिक य्ग में यह टिप्पणी कौन स्वीकारेगा, जब 'चारों ओर नंबर वन' होने की होड़ लगी है। ईसा मसीह ने इसी में आगे जोड़ा है कि "ईश्वर के राज्य में वहीं प्रथम होंगे, जो अंतिम हैं और जो प्रथम होने की दौड़ में रहेंगे, वे अभागे रहेंगे।" यहाँ 'अंतिम' होने का संबंध लक्ष्य और सफलता से नहीं है। जीसस ने विनम्रता, निरहंकारिता को शब्द दिया है 'अंतिम'। आपके प्रयास व परिणाम प्रथम हों, अग्रणी रहें, पर आप भीतर से अंतिम हों यानी विनम्र, निरहंकारी रहें। अन्यथा अहं अकारण ही जीवन के आनंद को खा जाता है। (1)
