

BAL BHARATI PUBLIC SCHOOL, DWARKA

✚ ANTI TOBACCO ACTIVITIES (JANUARY 31, 2025)

To raise awareness about the harmful effects of tobacco consumption and promote a tobacco-free lifestyle, our school organized a series of **Anti-Tobacco Activities**. These activities aimed to educate students about the dangers of smoking and tobacco use, encouraging them to adopt a healthier lifestyle and spread awareness in their communities.

The Activities were highly impactful and well-received by students, teachers, and parents. The event successfully raised awareness about the dangers of tobacco consumption and encouraged students to make informed choices about their health. The school remains committed to promoting a **tobacco-free environment** and will continue organizing such awareness programs in the future.

✚ FARM TO PLATE CLUB CULINARY ACTIVITY FOR CLASS V (DECEMBER 06, 2024)

Class V students participated in a Farm to Plate Club activity to develop food skills and appreciate farmers' efforts.

They watched a documentary on farming challenges, prepared a nutritious salad with quinoa, sprouts, and vegetables, and created a reflective newsletter. The activity fostered creativity, teamwork, and healthy eating habits.

✚ MISSION ZERO WASTE CHALLENGE AT BBPS

The School hosted Sony BBC Earth's Mission Zero Waste Challenge, promoting eco-friendly habits through interactive activities like seed paper-making and Q & A sessions on sustainability.

The engaging Feel Alive Hour and exciting gifts for correct answers made the event educational and memorable, inspiring students to embrace sustainable practices.

✚ Class IV Celebrates Nature Club Day with Eco-Friendly Activities (November 29, 2024)

Class IV students celebrated Nature Club Day by engaging in eco-friendly activities such as creating leaf art, building artificial bird nests, and planting flowering plants to promote sustainability. Culinary activities centered on edible leaves, while crafting insect house models emphasized ecological balance.

🌍 LINGUISTIC HARMONY (ONLINE) Classes VI-IX, XI (November 21st and 22nd, 2024)

The school organized Online Linguistic Harmony Days for Classes VI-IX and XI, to promote respect, understanding, and unity among students from diverse linguistic backgrounds. The event celebrated India's linguistic heritage and encouraged students to appreciate cultural diversity. Activities included:

- Students created digital posters comparing cultural aspects like festivals, food, or greetings across Hindi, English, Sanskrit, and French-speaking cultures.
- They used stick puppets to perform short stories in Hindi, English, Sanskrit, or French.
- Groups prepared and presented a 3-minute online news bulletin in Hindi, English, French, and Sanskrit.
- They performed an online skit with characters speaking different languages promoting multilingualism.
- Students created a cultural collage on a specific theme (e.g., festivals, family, traditions) using slogans and short pieces of literature in Hindi, English, Sanskrit, and French.

🌍 EDUCATORS MEETUP (NOVEMBER 13, 2024)

School faculty actively participated in Generation Global Educators Meetup which witnessed participation of 65 educators across the globe including countries like Indonesia, Nigeria, Italy, USA, UAE, Ukraine, Bangladesh, China, Nepal, and India.

Various educational pedagogies were exchanged and discussed especially best practices on different educational themes. All educators shared their personal experience on- innovative strategies and tools and their impact on Video Conferences.

🌍 SCIENCE WEEK - SCI TECH MARVELS (NOVEMBER 5 & 6, 2024)

During Science Week, students were engaged in following activities:

- ❖ Mind Spark (Hands on Activity: Assembling & Flying of Drones by students)
- ❖ Website Designing – Develop a system to enhance school security
- ❖ Slogan Writing (Single use plastic: Devil in our society)
- ❖ Poster making (Topic: We are children of the earth)

🌍 LIGHTING UP LIVES - DIWALI DONATION DRIVE (November 6, 2024)

The Interact Club's donation drive celebrated kindness and teamwork. Students collected and distributed essentials like tea, sugar, biscuits and toiletries to school support staff, and a local slum community, spreading joy and gratitude. This initiative inspired compassion and strengthened our commitment to an equitable society.

GLOBAL ONLINE ENGLISH EXCHANGE PROGRAM (OCTOBER 7 AND NOVEMBER 8, 2024)

Enriching Online English Exchange Programs were organized by "With The World" in collaboration with the Osaka Board of Education. The event witnessed enthusiastic participation from 100 students across the globe who engaged in an hour-long conference on the topic "Know Other Country" focusing on markets economy and cultural insights of various nations.

This initiative reaffirmed BBPS Dwarka's commitment to nurturing globally conscious individuals equipped with knowledge and appreciation of cultural diversity.

CELEBRATING DIWALI WITH SPECIAL CHILDREN (28 October, 2024)

Students of Interact Club, visited "UDAI - Ek Prayas- Rotary skill centre for special children " to celebrate inclusion and diversity. They enjoyed Diwali festivities with autistic children and supported their handmade creations, promoting joy, resilience, and togetherness.

GENERATION GLOBAL VIDEO CONFERENCES

Students discussed pertinent global, social issues in International Video Conferences.

FINANCIAL LITERACY

Students explored financial literacy by learning to distinguish between wants and needs, prioritizing essentials over desires. Through practical exercises, they practiced making informed financial decisions.

ABACUS LEARNING AT BBPS

Students enthusiastically engaged in abacus learning, simplifying math concepts through hands-on activities. This interactive method enhanced focus, problem-solving, and mental arithmetic skills while transforming complex ideas into manageable steps.

BAGLESS DAY: A JOYFUL LEARNING EXPERIENCE

Bagless Day offered students engaging hands-on activities like crafts, storytelling, cooking, and games, fostering creativity and teamwork. These experiences made learning enjoyable while promoting curiosity, critical thinking, and real-world connections.

✚ **SHIN PROGRAM: ENHANCING PATTERN RECOGNITION**

The SHIN Program effectively engages Grades 3–5 students in pattern learning through puzzles and cubes, enhancing spatial thinking and creativity. Its interactive, visual approach makes learning enjoyable, fostering enthusiasm and perseverance.

✚ **CAMPUS AUDIT FOR RESOURCE CONSERVATION**

A school campus audit aimed at promoting water and electricity conservation, and fostering environmental responsibility was organized. Students engaged in discussions, observed usage, and suggested improvements. The review identified ways to reduce consumption, making the activity educational and impactful.
