

BAL BHARATI PUBLIC SCHOOL

FEBRUARY 2025

ADVENTURE CAMP (FEBRUARY 1, 2025)

An Adventure Camp was organized at the school for 118 students from Classes 6 to 8, offering them a platform to develop life skills, confidence, and teamwork through thrilling outdoor activities. Students enthusiastically participated in wall climbing, zorbing, archery, tug of war, ladder climbing, Tarzan swing, and more, enhancing their physical endurance and mental resilience. The camp successfully instilled team spirit, problem-solving skills, and self-confidence, making it a memorable and enriching experience for all participants.

BIODIVERSITY WEEK (FEBRUARY 14 TO 17, 2025)

The school successfully celebrated Biodiversity Week, fostering awareness and responsibility toward nature among students. From February 14 to 17, 2025, students from Classes VI to IX actively participated in hands-on activities such as Bird Nest Making, Kitchen Gardening, Plant Census, and Tree Census. These activities enhanced their understanding of biodiversity and encouraged conservation efforts, reinforcing the importance of preserving the environment for a sustainable future.

MATHS ODYSSEY (FEBRUARY 3 TO 7, 2025)

The school celebrated "The Math Odyssey" for Classes 6 to 9, aiming to eliminate the fear of mathematics and instill a love for the subject. Throughout the week, students engaged in a variety of interactive and creative activities that enhanced their mathematical skills and problem-solving abilities.

- ❖ **MATHLETICS – THE QUIZZICAL:** An online quiz for Grade 8 students to improve speed and accuracy in problem-solving.
- ❖ **MATH RIDDLES:** Fun and engaging competitions to make learning math enjoyable.
- ❖ **MATH MANIA – NEWSLETTER DESIGNING:** Class 9 students designed newsletters, improving creativity, teamwork, and communication skills.
- ❖ **FUNGRAMS:** Story depiction using tangrams to explore geometry in an artistic way.

Cont.(2)

(2)

- ❖ **STORY OF A DISCOVERY:** Students enacted famous mathematicians like Aryabhata, Ramanujan, and Archimedes, bringing history and mathematics to life.
- ❖ **LEGENDS OF MATH – BRINGING GENIUS TO LIFE!:** A tribute to great mathematical minds, fostering curiosity and innovation.

The week was an engaging and enriching experience, inspiring students to explore mathematics beyond textbooks.

ANTI-TOBACCO WEEK

The school organised an Anti-Tobacco Awareness campaign to educate students on the dangers of smoking, chewing tobacco, and vaping. Activities like poster-making, collage creation, and brochure-making encouraged creativity and advocacy. Slogans such as "Say No to Tobacco" and "Tobacco Kills, Choose Life" reinforced the message. The initiative empowered students to promote a tobacco-free future.

THE NEWSROOM CLASS ACTIVITY

The Newsroom class activity provided students with a hands-on experience in news production through role-play, where they took on roles like news anchors, reporters, scriptwriters, cameramen, and producers. The activity enhanced language skills, teamwork, and technical awareness, helping students improve in writing, public speaking, and collaboration. Despite challenges like time management and nervousness, students adapted well and gained confidence. The activity successfully fostered communication, problem-solving, and real-world English proficiency, making it an engaging and enriching learning experience.
