

PROVISIONAL ALLOTMENT OF SUBJECTS IN CLASS XI (2025-2026)

Dear Parent,

Greetings!

We extend our heartfelt congratulations to all students and parents for the successful completion of an eventful academic year. We eagerly look forward to welcoming our students back to school.

Based on students' preferences and their performance in the Pre-Board examinations, provisional subject allotments for Class XI have been made. Please note that these allotments are tentative and subject to change upon the declaration of the CBSE Board Results 2025-26.

We understand that you may have queries or concerns regarding the allotments. To support you, we have created a dedicated email ID bbpsdwstream@gmail.com to address common doubts and ease any anxiety.

We sincerely hope that you will encourage your ward to approach this process with patience and positivity. The new academic session will commence on 21 April 2025.

We value and seek your continued cooperation at every step.

Regards,

(Suruchi Gandhi)
Principal
