Performance Report - CBSE SAFAL Assessment 2024

Dear Parent,

I am pleased to present a brief report on the Structured Assessment for Analysing Learning (SAFAL), conducted as per the guidelines of the Central Board of Secondary Education (CBSE). The objective of SAFAL is to provide schools with diagnostic feedback on students' learning levels, thereby ensuring continuous academic progress throughout their schooling years.

I am proud to report that our school was categorised as 'Proficient' in all assessed subjects, with scores significantly above the average of both CBSE schools nationwide and other schools in our region.

This achievement not only reaffirms our commitment to academic excellence but also highlights our readiness in adopting national-level competency-based education reforms.
