	29 Dance like nobody's watching – make your own steps	30 Aao School chalein – It's time to pack your bag.					N

#### LET'S BE RESPONSIBLE

Simba grew up to be a brave and responsible king because he took care of his family, friends, and his kingdom. These holidays, let's learn to become responsible just like Simba from The Lion King! Here's a fun activity for you:

**Activity: Simba's Circle of Responsibility** 

#### **Objective:**

To practice small acts of responsibility at home.

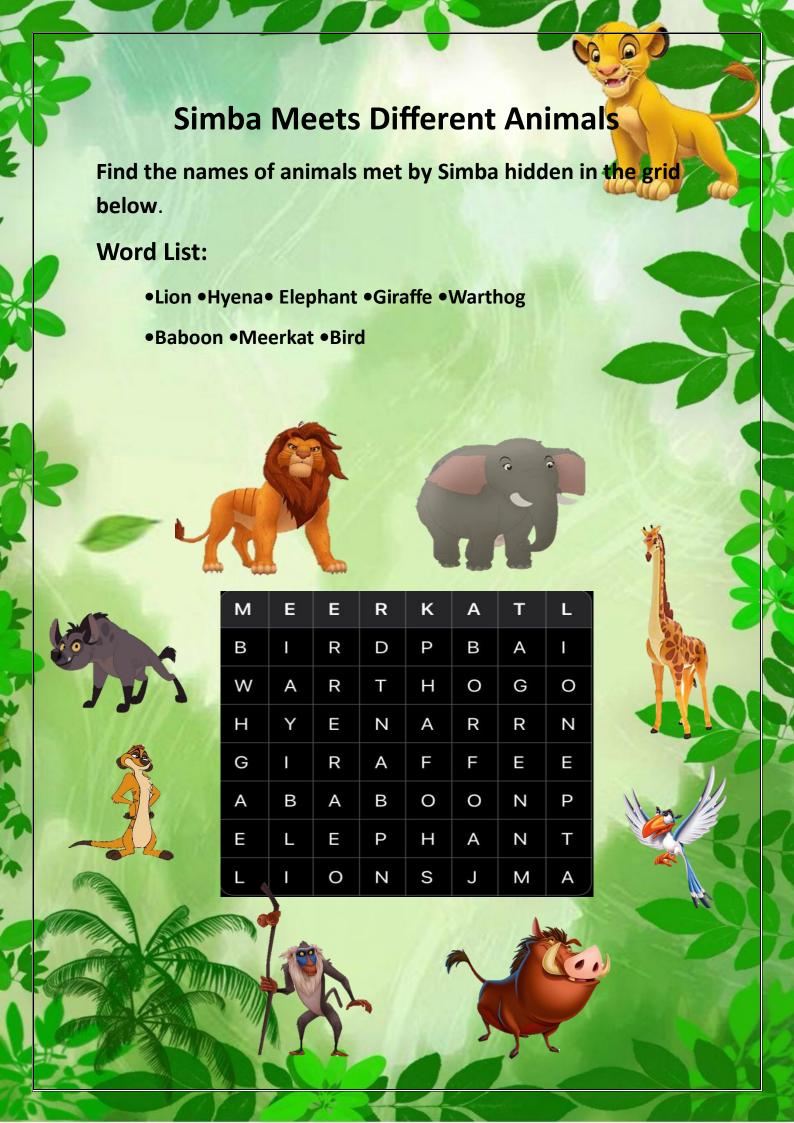

- 1. Draw a big circle on an A4 size sheet.
- 2. Paste or draw a picture of Simba in the centre.
- 3. Around Simba, write or paste 5 to 7 responsibilities you will take care of during your holidays.

(Examples: Packing my school bag, helping parents, feeding birds, cleaning room, watering plants, using polite words etc.)

- 4. Every time you complete a responsibility, colour one part of the circle.
- 5. Decorate your sheet beautifully, get yourself clicked with it and paste the picture in your scrapbook.

# Simba's shape adventure

# Fun activity at home

Simba, the curious cub, went to visit his Uncle Max who lived in a colourful small town. Uncle Max gave Simba coloured papers, glue, and scissors. Together, they built a "Shape Town" with triangle roofs and circle suns. Simba roared with joy, learning how shapes create a beautiful world!

### My Shape Town

#### **INSTRUCTIONS**

- coloured paper
- glue
- scissors

#### **INSTRUCTIONS**

- Cut out shapes like squares, circles, triangles, and rectangles from coloured paper.
- Use glue to make a town by arranging the shapes on a sheet of paper.
- Describe your town and the shapes you used.

#### **FUN ACTIVITIES**

- Shape Scavenger Hunt
- Shape Story Time
- Shape Stamping
- Shapes Song & Dance
  - Shape Puzzle Challenge
- Learn shape song
  - Observe shapes in your surroundings
  - Give challenge to your friend to identify maximum number of shapes in a defined area

## "Fruitastic Fun: Simba's Fruit Safari"

Through the jungle, bright and sweet,
Simba dances on his feet,
Mangoes, berries, juicy plums,
Swinging vines and beating drums!
"Bananas golden, apples red,
Fill my basket, fill my head!
Pineapples tall, and cherries small,
I want to taste them, one and all!"

#### OBJECTIVE

To learn about fruits, observe their properties, track healthy eating, and get creative using fruit seeds.

## Meet the Fruit Superheroes!

Just like Simba, pick 5 fruits of your choice and fill in the Observation Table. Take a printout of this table and paste in your scrapbook.

Fruit Name Colour	Taste (Sweet/Sour)	Texture (Soft/Hard)	Has Seeds? (Yes/No)
- 311			463
		X	HTT
		4	
( - / <u>A</u>		30 7 3	

## Simba Meets Jungle Friends!

One sunny morning, Simba went on a great adventure deep into the jungle. As he walked through the tall grasses, he met many new friends.

He saw a cheeky monkey swinging in the trees, a colourful parrot singing from a branch, a sleepy sloth hanging upside down, a wise elephant splashing in a river, and a playful zebra running across the fields.

Simba was so happy to meet them all! He wanted to remember this day forever, so he decided to make fun masks of all his new friends.

Now it's your turn! Let's create masks of the animals Simba met!

Create a Face Mask of Your Favourite animal character.

#### Instructions:

- Choose your favourite animal character.
- Use waste/recycled material(cardboard, paper, caps, yarn, etc.) to make a face mask.
- Cut eye and mouth holes.
- Colour and decorate your mask.

# प्रयोजन कार्य

## आओ सिंबा को मात्रा सिखाएँ।

मात्रा चक्र- लिंक सहायता से एक मात्रा चक्र का निर्माण करो।

https://youtu.be/qfMqx8gO4lc

## शिक्षण परिणाम -:

- 1. सर्जनात्मकता का विकास।
- 2. कल्पना शक्ति का विकास।
- 3. बच्चों को स्वर मात्राओं की पहचान कराना और उनका सही प्रयोग सिखाना।

\*\* मात्रा चक्र स्क्रैप फ़ाइल में चिपका कर हर मात्रा से दो-दो शब्द लिखो।
