**ACTIVITY CALENDAR**

<u>DATE</u>	<u>NAME OF THE ACTIVITY</u>	<u>MATERIAL REQUIRED/ INSTRUCTIONS</u>	<u>COMPETENCIES</u>	<u>LEARNING OUTCOMES</u>
02.07.25	Assembly - Back to School Bash	NA	Students will listen attentively and respond appropriately to speakers and announcements, Show enthusiasm to engage in learning activities and school life.	Students develop a sense of pride and belonging in their school community. Students gain confidence through shared experiences and group affirmations.
02.07.25	Reboot and Refresh	Circular will be shared shortly	Students will explore new challenges with curiosity and resilience. They will develop critical thinking, adaptability, and creativity while embracing opportunities for growth, collaboration, and personal development in their learning journey.	Students will confidently navigate new experiences, apply problem-solving skills, and adapt to change. They will cultivate a growth mindset, set personal goals, and embrace learning as an exciting and continuous adventure.

07.07.25	Eco-Adventure in Comics	Circular will be shared shortly	Students will use creative thinking and storytelling skills to communicate ecological messages. They will collaborate effectively in small groups to brainstorm, plan, and create comic content.	Students will describe an environmental problem and suggest a possible solution through a comic narrative. They will incorporate dialogue, captions, and illustrations that effectively convey the story's environmental message.
29.07.25	Assembly - Friendship Forever	NA	Students will identify the qualities of a good friend (e.g., kindness, sharing, helping, honesty). Display behaviour that reflect core friendship values like loyalty, forgiveness, and cooperation.	Students will feel connected to their peers and part of the school community and are inspired to build and maintain positive, long-lasting friendships.
30.07.25	Mapping Global Hunger	Circular will be shared shortly	Students will explore global art forms, develop creativity, and appreciate cultural diversity through collaborative artistic expression.	Students will design and present culturally inspired artwork, showcasing artistic techniques and global heritage.
05.08.25	Assembly - Thread of Protection	NA	Students will recognise that festivals like Rakshabandhan promote unity and strengthen relationships within the school.	Students will understand the cultural, emotional, and moral significance of the festival.
08.08.25	Word Weavers	Circular will be shared shortly	Students will express thoughts, emotions, and imagination creatively through written text.	Students will compose a short story, poem, or descriptive paragraph that showcases imagination and creativity.
11.08.25	History in a Flash	Circular will be shared shortly	Students will identify key historical events, figures, and periods relevant to their curriculum or topic of study. They will demonstrate sequencing and cause-effect understanding of historical events.	Students will present a historical event or figure using a concise and engaging format. They will collaborate effectively in teams or pairs to research and prepare content.
12.08.25	Assembly - Patriotic Pride	NA	Students will recognise the importance of Independence Day as a national festival of pride and freedom. Identify national symbols (flag, anthem, leaders) and their meanings. Show respect during the national anthem and flag hoisting ceremonies.	Students will understand the importance of Independence Day and understanding that freedom was achieved through sacrifice and struggle. Students will recognise that being free also means being responsible citizens—following rules, showing respect, and helping others.
14.08.25	Jharokha: A Window to Wonder	Circular will be shared shortly	Students will research and gather information on a chosen topic of wonder. They will express curiosity and appreciation for the diversity and richness of the world around them.	Students will incorporate creative elements such as illustrations, models, or digital slides to make their topic engaging. They will appreciate the diversity of ideas and topics shared by

				classmates through active listening and positive feedback.
19.08.25	Assembly - Mathura Magic	NA	Students will understand the importance of good over evil and standing up for what is right. Students express their understanding of Janmashtami through art, music, dance, or dress-up activities.	Students will understand the significance of Janmashtami as the celebration of Lord Krishna's birth. They will identify and reflect on values associated with Lord Krishna, such as truthfulness, kindness, mischief balanced with love, and wisdom.
20.08.25	Global Kitchen Creations	Circular will be shared shortly	Students will understand essential culinary techniques, practice kitchen safety, and explore the basics of nutrition and meal preparation.	Demonstrate basic cooking skills, follow recipes, practice safe food handling, create simple dishes, and appreciate the importance of balanced ingredients in meal planning.

### SPECIAL WEEKS

11.08.25 – 14.08.25	National Glory Week- Patriotism	Circular will be shared shortly	Students understand the meaning of patriotism as love and respect for one's country. Students identify national symbols, freedom fighters, and important national events (e.g., Independence Day, Republic Day).	Students will learn and demonstrate values like courage, honesty, responsibility, and cooperation, inspired by patriotic themes. Students will reflect on the contributions of leaders and citizens who have served the country.
