Parental Collaboration - Beyond Books: Career Dialogues
Real Stories. Real Success.

Dear Parent,

Greetings!

In our continued pursuit of excellence in holistic education, we are delighted to introduce the signature initiative – **“Beyond Books: Career Dialogues”**

An inspiring platform where real-world experiences meet youthful aspiration.

This exclusive event is thoughtfully curated for the students of Classes VI to X, with the objective of offering them direct exposure to various career landscapes through engaging interactions with professionals – and who better than our own esteemed parent community to lead this journey?

We invite you to collaborate with us and become an integral part of this enriching experience by sharing your professional journey, expertise, and industry wisdom. Your story can be the spark that ignites a student’s ambition.
