Parental Collaboration - Beyond Books: Career Dialogues (*Second Edition*)

Dear Parent,

The **first edition** of Beyond Books: Career Dialogues, held from July to September for Senior School students, was received with much appreciation.

We are truly grateful to the many parents who volunteered their time and expertise to guide our learners and make the program a resounding success.

Building on this momentum, the school is delighted to announce the ***Second Edition of Beyond Books: Career Dialogues*** for Senior School students.

This initiative continues our effort to broaden horizons by introducing students to diverse career opportunities and helping them understand the skills, qualifications, and emerging possibilities associated with each field. These sessions aim to inspire, encourage curiosity, and help young minds envision future pathways with confidence.

To provide flexibility and ensure maximum participation, we request parents to select a **suitable working day (Monday to Friday)** for conducting the session through the following link:

Each session will be conducted between **8:00 am and 9:00 am** on the chosen day.

We look forward to your continued support in making the ***Second Edition of Beyond Books: Career Dialogues*** a truly inspiring and enriching experience for our Senior School students.
