

October 26, 2025

Dear Parent,

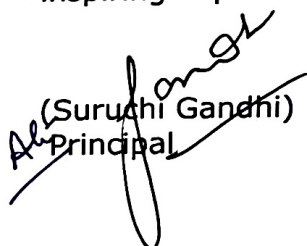

At BBPS, we strive to create an environment that fosters curiosity, innovation, and scientific temperament among our learners. To ignite scientific inquiry and celebrate the spirit of discovery, the school will observe Science Week from 10th to 14th November 2025. The week will feature a variety of activities designed to inspire students to explore, experiment, and showcase their scientific skills and creativity.
