Youth Ideathon 2025 (Under Ministry of Skill Development and Entrepreneurship)

Dear Parent,

Youth Ideathon is a premier **innovation and entrepreneurship competition for school students**. It provides a national platform for the youth to explore their entrepreneurial skills, think creatively, and develop futuristic ideas.

The competition encourages students to **identify societal problems and propose solutions** under the inspiring theme “*Nayi Soch, Naya Bharat*”. It nurtures the spirit of innovation and empowers young learners to dream big.

We are proud to share that student of Bal Bharati Public School, **Dwarka** made their mark last year by securing a place among the **Top 10 teams in the country**.

Youth Ideation is a 5-Stage free competition with exciting rewards and recognition opportunities for students. This year Youth Ideation also has an interesting addition wherein selected teams with entrepreneurial solutions shall be invited for a **LIVE Startup Pitch at CBSE studios** to angel investors and shall be webcasted on CBSE YouTube Channel as well.
